Att: Mr. E. J. Coel

Dear Ed:

Enclosed is a gas well plat which you have submitted on your #2-F Middle well and which we are returning. As the unit only contains 302 acres it is non-standard and requires administrative approval by Mr. Macey.

As it is not a unit well I do not believe that it has been previously approved. If I am wrong and you have secured previous approval please type this information on the face of the plat.

Yours very truly
