Re: Unorthodox Well Location
Aztec Oil & Gas Company
Jernigan #3
NE/4 Section 24-T27N-R9W
Basin Dakota - Blanco Mesaverde Pools
San Juan County, New Mexico

Gentlemen:

Aztec Oil & Gas Company hereby requests your administrative approval of exceptions to the well location regulations set forth in Rule 2 of Order #R-1670 and Rule 2 of Order #R-1670-C.

In support of this request, Aztec respectfully states the following:

1. The proposed location is projected to be dually completed in the Basin Dakota and Blanco Mesaverde Gas Pools. The proration unit, containing 320 acres, will be the east one-half of Section 24-T27N-R9W.
2. The proposed unorthodox location has been staked 1990' from the north line and 1100' from the east line of Section 24-T27N-R9W. The unorthodox location was necessitated by topographical conditions.

Copies of this letter are being furnished to offset operators at addresses shown on the attached list.

Very truly yours,

Prentice Watts
