Gentlemen:

We are returning herewith the deviation statement which you have submitted for Sunset International Petroleum Corporation's Kutz J Federal Well No. 1 located in 1-27N-10W.

New Mexico Oil Conservation Commission rules require that a tabulation of the deviation tests be submitted showing what the actual deviation was at each 500-foot interval or at each bit change succeeding each 500-foot interval. It will also be necessary that the Affidavit be notarized.

Yours very truly
