Re: Unorthodox Mesaverde Location
Dawson Federal No. 1
835 FWL, 1150 FWL
D Sec. 26, T-27-N, R-8-W
San Juan County, New Mexico

Gentlemen:

P
Request Administrative Approval for unorthodox location on the above well.

This is a Dual Basin Dakota and Blanco Mesaverde well. It was drilled primarily as a single Basin Dakota well and was drilled on a standard Dakota location. However, topographical reasons in the Southwestern quarter of this section also prevented staking a standard Mesaverde location in this quarter without undue difficulties.

Y
All offset operators will be furnished a copy of this request.

Very truly yours,

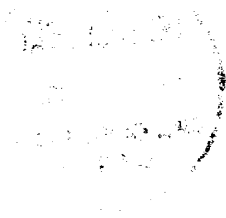

TENNECO OIL COMPANY
