Re: Barbara Kay #3; B-19-27N-19W

Dear Mr. Magness:

On the referenced well, we have no sundry notices of operator change, reentry, or completion. The Minerals Management Service had only a letter of Memorandum from the BIA in regard to an operating agreement.

We need these forms for our files to prevent any delays and confusion. Please send these on federal forms to the MMS; they will forward copies to us.

If you have any questions please call this office.

Yours truly,

Jeff A. Edmister  
Geologist II
