13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

This well is to have a casing pressure test conducted by 10-1-93. The swab unit used to pull the small diameter and run the packer required to run these tests is unavailable. We request an extension until December 1, 1993, with the understanding that they will be conducted as soon as the unit is available.
