Re: Jernigan #3A MV-CH I-24-27N-09W

Dear Mike:

This will amend the original letter of November 10, 1993 that inadvertently listed the Dakota formation in the allocation section. Your recommended allocation of commingled production to the referenced well is hereby accepted as follows:

	<u>Gas</u>	<u>Oil</u>
Chacra	78%	0%
Mesaverde	22%	100%

Sincerely,

Ernie Busch
District Geologist
