Attn: Mr. Phil McGrath
District Engineer

Gentlemen:

The Dome Federal wells 16-27-13 #1 and the 16-27-13 #2 were staked correctly, but the surveyor's plat submitted showed the well numbers reversed.

In other words, the #2 well should have been the #1 well, and viseversa.

We are enclosing new plats to correct the error.

Sincerely,

H. D. Hollingsworth
