12. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work) SEE RULE 1103.

Yates Petroleum's Gas Marketing Department has been negotiating with Dugan Gas Gathering to have well reconnected to pipeline to establish production from well. El Paso Natural will need to set a new meter and reconnection will depend on when the meter is set. Yates' is estimating that meter will be set within 30 days.

Yates Petroleum Corporation - Gas Marketing Contact: David Lanning
