In response to your letter of September 30, 1986, we have been unable to obtain adequate file data to make a determination regarding this well. At the time that the request was made to plug and abandon this well Ocean Production was McHugh's agent; since that time McHugh has opened a district office in Farmington and files are incomplete.

Plan to gather data and physically inspect the well location, then submit a sundry within ten days regarding the status of this well.
