RE: Filing Spacing Exception
Getty Oil Company
Re John Charles
930' FNL & 1390' FEL
Section 13 T27N R9W
San Juan County, New Mexico

Dear Mr. Kendrick:

Getty Oil Company is proposing to drill a gas well in the above-referenced location, and hereby request a spacing exception. This unorthodox location is considered necessary because of topographic irregularities. See attached location and elevation plat showing the terrain.

The adjacent owners of this location are as follows:

El Paso Natural Gas Company	American Petrofina Company of Texas
P.O. Box 990	P.O. Box 1311
Farmington, New Mexico 87401	Big Spring, Texas 79720
Mr. John Alhm	Mr. Dick Bott

We have corresponded with both companies in reference to this spacing exception (see attached letters).

We would appreciate your earliest attention to this matter. If I can be of any assistance, please advise.

Very truly yours,

POWERS ELEVATION
