If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Work to connect the subject well and return it to production has been taking place the week of March 8th. We expected to have this well connected and a sundry filed to comply with the March 15, 1999 deadline. As of this date, March 12th, we are waiting on finalizing a meter installation agreement with El Paso Field Services. Edwards Energy Corporation respectfully requests a thirty day extension to bring this well to production.
