Proposed Downhole Commingling of Jack Frost B No. 1E,  
San Juan County, New Mexico

Dear Sir:

This is to advise you that the Farmington District Office of Amoco Production Company is requesting administrative approval from the Secretary-Director of the New Mexico Oil Conservation Division to downhole commingled production from the well below:

Jack Frost B No. 1E                      Unit M, Section 27, T27N, R10W

This well has been completed in the Angel Peak Gallup and the Basin Dakota pools.

Enclosed is a wellbore diagram and a map showing location of offset operated wells.

If you, as an offset operator, have no objections to the commingled production of the Angel Peak Gallup and Basin Dakota pools from the subject well, please sign the waiver below and send to:

New Mexico Oil Conservation Division  
Attn: Mr. Joe D. Ramey  
Box 2088  
Santa Fe, NM 87501

We would appreciate your sending one executed copy to the undersigned.

Very truly yours,
