In response to your letter dated June 4, 2002, responding to the Sundry filed to Shut in the above referenced well, please note that the location was incorrectly shown on Item #4. The new location is stated above.

Therefore MarkWest Resources, Inc. requests that the Scott E. Federal #18 remain shut in until the Fruitland Coal infill program has been approved. Since the 1st delivery of the Scott Federal 27-11 #36 Fruitland Coal (API#30-045-30964) is eminent.

Ms Erica W. Baker  
Markwest Resources, Inc.

Dear Ms Baker:

Reference is made to your well No. 18 Scott E Federal located 990' FSL & 1520' FWL sec. 36, T. 27 N., R. 11 W., San Juan County, New Mexico, lease NMSF-078098. Also referenced is your Sundry Notice dated May 20, 2002, which requested approval to maintain the current shut-in status for the subject well. Since well No. 36 Scott Federal 27-11 has also been completed in the Fruitland Coal and is also located in the same quarter section as the above mentioned well and the NMOCD is not considering down sizing this formation to 80 acres, your request to leave the well shut-in until Fruitland Coal infill program has been approved is hereby denied. Therefore, you are required to submit a procedure to plug and abandon the subject well by June 30, 2002.

Failure to comply within the time above may result in an assessment in accordance with 43 CFR 3163.1.

Under provisions of 43 CFR 3165.3, you may request an Administrative Review of the orders described above. Such request, including all supporting documents, must be filed in writing within 20 business days of receipt of this notice and must be filed with the State Director, Bureau of Land Management (NM-93000), P. O. Box 27115, Santa Fe, New Mexico 87502-0115. Such requests shall not result in a suspension of the order(s) unless the reviewing official so determines. Procedures governing appeals from instructions, orders or decisions are contained in 43 CFR 3165.4 and 43 CFR 4.400 et seq.

If you have any questions please contact Stephen Mason with this office at (505) 599-6364.
