Dear Mr. Ramey:

Southland Royalty Company hereby requests approval of an unorthodox well location for the Hanks #25 well. The proposed location is 680' FNL & 1880' FEL, Section 6, T 27N, R 9W, San Juan County, New Mexico.

This move is requested by the Bureau of Land Management to avoid the radical terrain and severe road conditions of the originally proposed location.

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe office with a waiver of objection.

Pursuant to authority of Rule 104-F, we respectfully request your approval of an exemption to the standard well location requirements.

Sincerely,
