13. Describe Proposed Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)*

Louis Dreyfus Natural Gas requests permission to perform a casing integrity test on the above mentioned well in order for this well to remain on a long term shut-in status. The well currently has no pipeline available to transport product. BLM will be notified 48 hours in advance to witness the casing test.
