SUBSEQUENT REPORT OF:

--	--	--	--	--	--	--

JUN 24 1982

(NOTE: Report results of multiple completion or zone change on Form 9-330.)

17. DESCRIBE PROPOSED OR COMPLETED OPERATIONS (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

Requesting a forty-five (45) day extension from June 23, 1982, to dispose of produced water in the unlined pits. Our disposal well has had numerous delays in obtaining approval from the Compliance Officer, the latest meeting with grazing permittees to be held June 23, 1982. The Archaeologists located ruins along our selected route. Navajo Minerals Department and the BIA are in the process of completing a new procedure and agreements for obtaining water disposal wells on Navajo Nation land.

Extension not to exceed August 1, 1982.
