Dear Mr. Townsend,

Reference is made to the following wells located in T.27 N., R. 11 W., San Juan County, New Mexico:

- ✓ 1) No. ~~21~~ ²¹ Federal 31,990' FNL & 1650' FWL Sec. 31, Lease NMNM-03523;
- ✓ 2) No. 31 Federal 31,790' FNL & 1520' FEL Sec. 31, Lease NMNM-03523;
- ✓ 3) No. 11 Federal 30,990' FNL & 990' FWL Sec. 30, Lease NMNM-0359211;
- ✓ 4) No. 23 Federal 30,1520' FSL & 1820' FWL Sec. 30, Lease NMNM-0359211

These wells are currently shut in due to no sales lines being tied to them. These wells are on Navajo lands which means obtaining new right of way is virtually impossible.

Williams Field Service (formerly GCNM) owns abandoned gas lines to these wells. LDNG is attempting to purchase or lease these lines from Williams Field Service at this time.

LDNG requests an extension of the shut in status on the above mentioned wells. If we are successful in purchasing the abandoned lines we will produce the wells in the near future.

Please call me at (505) 326-6958 if I can be of further assistance to you.

Sincerely,

Gene Simer
