Durango, Colorado 81301

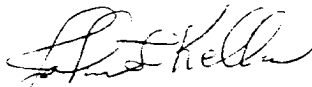

Gentlemen:

Reference is made to your Sundry Notice and Reports on Wells (Form 9-331) for the No. 2-29 Navajo Nation well located 1980' FNL & 660' FEL, sec. 29, T. 27 N., R. 19 W., San Juan County, New Mexico, on Navajo Operating Agreement.

The Sundry Notice advised that a plug was set in the "F" nipple at 5837' to Temporarily Abandon the Mississippian zone. Please be advised that this procedure is approved for a period of one year. At the end of one year it is required that a new request be submitted for an extension of one year. Further requests will require adequate evidence regarding why the zone(s) shall not be put into production or permanently abandoned.

Your cooperation in this matter will be appreciated.

Sincerely yours,

John L. Keller

Acting District Oil and Gas Supervisor
