13. Describe Proposed or Completed Operations (Clearly state all pertinent details, and give pertinent dates, including estimated date of starting any proposed work. If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)\*

Amoco Production Company requested permission to Isolate the Dakota formation and recomplete to the Blanco Pictured Cliffs formation in the above referenced well October 17, 1994 and received BLM approval October 20, 1995.

Amoco has now decided not to do this recompletion and isolation of the Dakota and requests the BLM cancel this authorization.

If you should have any technical questions please call Lara Kwartin at (303) 830-5708 or myself at the telephone numbers listed above for any administrative questions.
