Could you please check and see if there is an NSL approval on Tenneco Oil Co, for their Jackson #3, located in sect. 10-28N-9W, 1430' FSL; 1140' FEL. If there is would you please send me a copy.

Thanks,

Luanne

To: Luanne:

The Jackson #3 was originally authorized for an unorthodox location under the Johnston B #1.
