Gentlemen:

Enclosed is your Application for Permit to Drill (APD) well No. 1E and 2E C.A. McAdams, NW $\frac{1}{4}$ SW $\frac{1}{4}$ and NE $\frac{1}{4}$ NE $\frac{1}{4}$ respectively, both in sec. 28, T. 27 N., R. 10 W., San Juan County, New Mexico, lease Santa Fe 077941-A. As discussed with Rob Murphy of your Company on October 3, 1983, the subject APD is rescinded and returned due to drilling not being commenced within one year of the approval date.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill site. If this office does not receive comment within 15 days, it will presume that no construction occurred and proceed accordingly. Later discovery that construction activities have in fact occurred, will result in assessment of liquidated damages.

Sincerely yours

R. Benjamin
