13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleat horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleat in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Amoco production Company submitted a Sundry Notice of our intent to complete the subject well into the Blanco Mesaverde and commingle production downhole with the existing Basin Dakota Pool on 05/02/2001. Approval was granted on 05/10/2001. Please be advised that the subject well recompleat and downhole commingling activity will not be performed on the subject well, therefore, we respectfully request that the subject application be withdrawn. The well will remain a single producer in the Basin Dakota Pool.

14. I hereby certify that the foregoing is true and correct.
