Sec. 10, T28N, R9W, San Juan County, New Mexico.

Dear Mr. Kangas:

As per rule 111a. of the New Mexico Rules and Regulations, we require you to conduct a directional survey on the above referenced well, based on the interval of 6505'-7290', which had a deviation greater than five degrees. Prior to conducting the survey, contact this office so that a representative can be on location as a witness.

If you have any questions, please contact this office.

Yours truly,

  
Ernie Busch  
Geologist II
