OCT 2 1984

Gentlemen:

Reference is made to your Applications for Permit to Drill (APDs) for the following wells:

1. No. 2 Gonzales, SE/4NE/4 sec. 18, T. 30 N., R. 8 W., San Juan County, New Mexico, lease SF-078596-A.
2. No. 62-E Florance, SW/4NE/4 sec. 20, T. 27 N., R. 8 W., San Juan County, New Mexico, lease NM-03380.
3. No. 67-E Florance, SW/4NE/4 sec. 19, T. 27 N., R. 8 W., San Juan County, New Mexico, lease NM-03380.
4. No. 5 Warren, SW/4NE/4 sec. 24, T. 28 N., R. 9 W., San Juan County, New Mexico, lease SI-077123.

As discussed with John Orr of your Company on September 7, 1984, the subject APDs are hereby rescinded and returned due to drilling operations not being commenced within a six month extension period following the original approval date.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill sites. If this office does not receive comment within 15 days, it will presume that no construction occurred and proceed accordingly. Later discovery that construction activities have in fact occurred, will result in an assessment.

Sincerely yours,

/s/ J. Stan McKee
