RE: Application for Unorthodox Location
Tapp Com 5E
NE/4 Sec. 17, T28N, R8W

Gentlemen:

Attached in duplicate (to each office) are a well location plat (C-102) with an ownership plat for the above referenced well.

Due to archaeological reasons we have moved this well to a non-standard location, as this is the only acceptable site. In addition we have moved the well ten feet (10') west to avoid the quarter-quarter section line.

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe office with a waiver of objection.

Pursuant to the authority of Rule 104-F we respectfully request your approval of an exemption to the standard well location requirements.

Yours very truly,

TENNECO OIL COMPANY
