Please distribute the attached copy of C104 to the appropriate person. We have replaced the old POD numbers (411910, 411930, 411950) originally belonging to the Basin Dakota pool with newly created POD numbers (2815667, 2815668, 2815669) for the Blanco Mesaverde pool. The Basin Dakota pool is abandoned and we will leave the original POD numbers with the Basin Dakota pool considering that there may be oil in stock that will need to be reported in the future. Please make a note of the change in your records and use the new POD numbers for C115 reporting.

Thank you,
