Mr. Richard Stamets  
New Mexico Oil Conservation Division  
Post Office Box 2088

Dear Mr. Stamets:

This is a request for administrative approval for an unorthodox gas well location in the Blanco Mesa Verde Pool.

It is intended to locate the El Paso Natural Gas Company's Turner Hughes #21 at 1525' from the South line and 1380' from the West line of Section 4, T-27-N, R-9-W, San Juan County, New Mexico.

Extremely rough terrain in the form of steep cliffs makes it impossible to build an orthodox location in the southwest corner of Section 4.

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe office with a Waiver of Objection, and return one copy to this office.

Plats showing the proposed well location and the terrain in Section 4, along with an ownership plat, are attached.

Sincerely yours,

G. W. Brink  
Project Drilling Engineer

WAIVER

\_\_\_\_\_ hereby waives objection to El Paso Natural Gas Company's application for an unorthodox location for their Turner Hughes #21 as proposed above.
