Mr. Richard Stamets  
New Mexico Oil Conservation Division  
Post Office Box 2088  
Santa Fe, New Mexico 87501

Dear Mr. Stamets:

This is a request for administrative approval for an unorthodox gas well location in the Basin Dakota Pool.

It is intended to locate the El Paso Natural Gas Company's Huerfano Unit #113E at 2050' from the South line and 1130' from the West line of Section 33, T-27-N, R-10-W, San Juan County, New Mexico.

Due to extremely rough terrain in the form of steep cliffs in the southwest corner of this section makes it impossible to build an orthodox location.

A copy of this application is being submitted to all offset operators by certified mail with a request that they furnish your Santa Fe office with a Waiver of Objection, and return one copy to this office.

Plats showing the proposed well location and the terrain in Section 33, along with an ownership plat, are attached.

Sincerely yours,

G. W. Brink  
Project Drilling Engineer
