Gentlemen:

Enclosed are your Applications for Permit to Drill well Nos:

1. 11-13 Federal Coal, Sec. 11, T. 27 N., R. 12 W., San Juan County, New Mexico, lease SF-079116.
2. 25-32 Federal Coal, Sec. 25, T. 27 N., R. 12 W., San Juan County, New Mexico, lease SF-079114-A.
3. 27-41 Federal Coal, Sec. 27, T. 27 N., R. 12 W., San Juan County, New Mexico, lease SF-079114-A.
4. 26-32 Federal Coal, Sec. 26, T. 27 N., R. 12 W., San Juan County, New Mexico, lease SF-079114-A.

As discussed with Mr. Fred Crum Jr. of your company on November 22, 1991, the subject APDs are rescinded and returned due to drilling not being commenced within one year of the approval date.

You are required to request surface rehabilitation instructions from this office if construction activities occurred on the referenced drill site. If this office does not receive comment within 30 days, we will presume that no construction occurred and proceed accordingly. Later discovery that construction activities have in fact occurred, may result in assessment of liquidated damages.

Sincerely,

/s/ John L. Keller
