Pamela W. Staley
Amoco Production Company
P.O. Box 800 1670 Broadway
Denver, Colorado 80201

Dear Ms. Staley:

We have reviewed your application to commingle production downhole from the Blanco Mesaverde and the Otero Chacra Pools in the following well:

Storey "D" #1M
1850' FSL, 1610' FEL, Section 26, T-28N, R-8W
San Juan County, New Mexico

This well was recently completed in both formations. Your percentage allocation is based on selective formation testing and analysis of offset production. Since there is no CA involved (differing ownership), your Application and allocation method, are hereby approved as submitted, effective the date that actual commingling of the pools occurs. Approved allocation factors are:

Formation	Gas	Condensate
Blanco Mesaverde	63%	100%
Otero Chacra	37%	-0-%

If you have any questions regarding this correspondence, please contact Ray Hager at (505) 599-6366.

Sincerely,

[Signature]

Duane Spencer
