SE/4 dedication |

Each well's oil, gas, and water production shall be computed based on periodic testing of individual wells and the total volumes measured at the sales point. **Compressor gas usage shall be based on computed well production rates.**

NOTE: This installation shall be installed and operated in accordance with the applicable provisions of Rule 303 of the Division Rules and Regulations and the Division "Manual for the Installation and Operation of Commingling Facilities." It is the responsibility of the producer to notify the transporter of this commingling authority.

REMARKS: All oil and gas production shall be gathered and sold on lease.

FURTHER: The operator shall notify the supervisor of the Aztec district office prior to implementation of this commingling operation.

DONE at Santa Fe, New Mexico, on this 6th of September 2002.

Lori Wrottenbery (wvj)
LORI WROTENBERY,
