DO NOT FIND a I-1 Sipco Kutz 1710/N 817/E
They drilled other Basin-DAKOTA tests in same township & in 28N.
Find a # 2 Sipco Kutz in 4-27N-10W
Got to think they abandon location as this Dakota well is same 1/4 section.

9/6/95

No well per
Johnny
Assign API #?

Johnny, I can't
find out any
thing about this
well. (2)

Ernest,

Need to know
if this well is
P & A' & H-1-29N-10W
JR

Looked for this well
in the 1972 IACPI
map of the
area.
