Attn: Mr. Ben Spain

Dear Sir:

We have just received two copies of Federal Notice of Intention to Drill on your #1 U.S. Knauff "B" Well located in the NW¹/₄ Section 31-28N-10W.

We are enclosing a supply of New Mexico Oil Commission Form C-128 Well Location and Acreage Dedication Plat. Will you please complete this form in duplicate, answering questions regarding ownership and outlining the half-section which you are dedicating to this well. As your Notice of Intention to Drill had no location plat attached the well should also be located on the plat and the plat should be signed by the surveyor, attesting to the correct location. The plat should also be signed by you, as the Operator's representative.

We are holding your Notice of Intention to Drill pending receipt of the above.

Yours very truly

Emery C. Arnold
