Mr. Richard Stamets
New Mexico Oil Conservation Division
Post Office Box 2088
Santa Fe, New Mexico 87501

Dear Mr. Stamets:

This is a request for administrative approval for an unorthodox gas well location in the Blanco Mesa Verde Pool.

It is intended to locate the El Paso Natural Gas Company's Storey C #11A at 1000' from the North line and 635' from the West line of Section 34, T-28-N, R-9-W, San Juan County, New Mexico.

Extremely rough terrain in the form of steep cliffs in the northwest corner of this section makes it impossible to build an orthodox gas well location.

El Paso Natural Gas Company is the offsetting operator of the surrounding sections.

Plats showing the proposed well location and the terrain in Section 34, along with an ownership plat, are attached.

Sincerely yours,

A handwritten signature in dark ink, appearing to read "G. W. Brink". The signature is fluid and cursive, with a small mark at the end.
