(State or Territory)

The elevation of the derrick floor above sea level is 6027 ft.

DETAILS OF WORK

(State names of and expected depths to objective sands; show sizes, weights, and lengths of proposed casings; indicate mudding jobs, cementing points, and all other important proposed work)

This is to report that Gallegos Canyon Unit #60 has been Temporarily Abandoned due to not obtaining gas in commercial quantities and has been disconnected from El Paso Natural Gas Company's sales line.

I understand that this plan of work must receive approval in writing by the Geological Survey before operations may be commenced.
