I. OPERATOR

Operator Hicks Oil & Gas, Inc.

Address P.O. Drawer 3307 - Farmington, New Mexico 87499

Reason(s) for filing (Check proper box):

New Well: ☐ Change in Transporter of: ☐

Recompletion: ☐ Oil: ☒ Dry Gas: ☐

Change in Ownership: ☐ Casinghead Gas: ☐ Condensate: ☐

Effective Date July 1st, 1985

If change of ownership give name and address of previous owner: \_\_\_\_\_

II. DESCRIPTION OF WELL AND LEASE

|                               |           |                                                                                       |                   |                              |
|-------------------------------|-----------|---------------------------------------------------------------------------------------|-------------------|------------------------------|
| Lease Name                    | Well No.  | Pool Name, Including Formation                                                        | Kind of Lease     | Lease No.                    |
| <u>Southeast Cha Cha Unit</u> | <u>30</u> | <u>Cha Cha Gallup</u>                                                                 | <u>Federal NM</u> | <u>09979</u>                 |
| Location                      |           |                                                                                       |                   |                              |
| Unit Letter                   | <u>P</u>  | <u>800'</u> Feet From The <u>South</u> Line and <u>730'</u> Feet From The <u>East</u> |                   |                              |
| Line of Section               | <u>15</u> | Township <u>26N</u>                                                                   | Range <u>13W</u>  | NMPM, <u>San Juan</u> County |

III. DESIGNATION OF TRANSPORTER OF OIL AND NATURAL GAS

|                                                                                                                  |                                                                          |
|------------------------------------------------------------------------------------------------------------------|--------------------------------------------------------------------------|
| Name of Authorized Transporter of Oil <input checked="" type="checkbox"/> or Condensate <input type="checkbox"/> | Address (Give address to which approved copy of this form is to be sent) |
| <u>Muncos Corporation</u>                                                                                        | <u>P.O. Box 1320 - Farmington, New Mexico 87499</u>                      |
| Name of Authorized Transporter of Casinghead Gas <input type="checkbox"/> or Dry Gas <input type="checkbox"/>    | Address (Give address to which approved copy of this form is to be sent) |
|                                                                                                                  |                                                                          |
| If well produces oil or liquids, give location of tanks.                                                         | Is gas actually connected? When                                          |
|                                                                                                                  |                                                                          |
| If this production is commingled with that from any other lease or pool, give commingling order number:          |                                                                          |

IV. COMPLETION DATA

|                                           |                              |                   |              |          |        |           |            |             |

VI. CERTIFICATE OF COMPLETION

I hereby certify that the above and the signature of the Oil Conservation Commission are correct and complete with the exception of the given above as true and correct to the best of my knowledge and belief.

Hicks Oil & Gas, Inc.

President

APPROVED Frank J. [Signature], 1985  
BY SUPERVISOR DISTRICT # 3  
TITLE

This form is to be used in compliance with RULE 1104.  
If this is a retest of a well or a newly drilled or deepened well, this form must be filed with the Commission for a tabulation of the deviation tests taken on the well in accordance with RULE 111.  
All sections of this form must be filled out completely for allowable on new and recompleted wells.  
Fill out only sections II, III, IV, and V for changes of owner well name or name of transporter. Other such change of condition Section III must be filled out for each pool in multiple completions.
