Mr. A. L. Porter, Jr. Secretary-Director Oil Conservation Commission P. O. Box 2088 Santa Fe. New Mexico 87501

Dear Mr. Porter:

I am enclosing a plat showing the well location due to topography of the surface and dedicated acreage of a proposed Pictured Cliffs well in the Fulcher Kutz Pictured Cliffs pool. In addition, I am enclosing letters of approval from Amoco Production Company, Southern Union Production Company, Clinton Oil Company and El Paso Natural Gas Company, all of the offset holders of rights down through the Pictured Cliffs formation adjacent to this location.

I will appreciate your consideration in approving an unorthodox location 1920 feet FSL and 415 feet FEL in the Southeast Quarter of Section 25, T28N, RllW.

I am also sending Mr. Arnold a copy of this letter as well as a copy of the plat and offset holders' authorizations on this application.

Thank you for your consideration on the above.

Yours very truly.
