

THE APPLICATION OF MARATHON OIL
COMPANY FOR A DUAL COMPLETION.

ORDER NO. 10-216

ADMINISTRATIVE ORDER
OF THE OIL CONSERVATION COMMISSION

Under the provisions of Rule 112-A, Marathon Oil Company made application to the New Mexico Oil Conservation Commission on November 11, 1974, for permission to dually complete its Ohio "B" McCord Well No. 1 located in Unit O of Section 23, Township 28 North, Range 11 West, NMPM, San Juan County, New Mexico, in such a manner as to permit production of gas from the Kutz-Fruitland Pool and from the Pictured Cliffs Formation adjacent to the Fulcher Kutz-Pictured Cliffs Pool.

NOW, on this 26th day of November, 1974, the Secretary-Director finds:

- (1) That application has been duly filed under the provisions of Rule 112-A of the Commission's Rules and Regulations;
- (2) That satisfactory information has been provided that all operators of offset acreage have been duly notified; and
- (3) That waivers of objection have been received from such operators of offset acreage.
- (4) That the proposed dual completion will not cause waste nor impair correlative rights.
- (5) That the mechanics of the proposed dual completion are feasible and consonant with good conservation practices.

IT IS THEREFORE ORDERED:

That the applicant herein, Marathon Oil Company, be and the same is hereby authorized to dually complete its Ohio "B" McCord Well No. 1 located in Unit O of Section 23, Township 28 North, Range 11 West, NMPM, San Juan County, New Mexico, in such a manner as to permit production of gas from the Kutz-Fruitland Pool and from the Pictured Cliffs Formation adjacent to the Fulcher Kutz-Pictured Cliffs Pool through the casing-tubing annulus and the tubing respectively.

PROVIDED HOWEVER, That applicant shall complete, operate, and produce said well in accordance with the provisions of Rule 112-A.

PROVIDED FURTHER, That applicant shall take packer-leakage tests upon completion and annually thereafter.

IT IS FURTHER ORDERED: That jurisdiction of this cause is hereby retained for the entry of such further orders as the Commission may deem necessary.

DONE at Santa Fe, New Mexico, on the day and year hereinabove designated.

STATE OF NEW MEXICO
OIL CONSERVATION COMMISSION

A. L. PORTER, Jr.
Secretary-Director

S E A L

THE APPLICATION OF THE
COMMITTEE FOR THE

COMMITTEE FOR THE
APPLICATION OF THE

Under the provisions of the Act of March 3, 1907, the
New York Oil Conservation Commission was organized on November 11, 1907, and
since that time has been actively engaged in the study of the oil resources of
the State, and in the preparation of a report to the Governor. The Commission
has held numerous public hearings, and has received many suggestions from
the public. It has also conducted extensive geological and geophysical
surveys, and has acquired a large amount of valuable information regarding
the oil resources of the State.

On the 15th day of November, 1911, the Governor appointed the

(1) That application is made for the conservation of the
oil resources of the State, and for the establishment of a

(2) That the Commission has been authorized to investigate and
report upon the oil resources of the State, and to recommend such
measures as may be necessary for their conservation.

(3) That the Commission has been authorized to acquire and
hold such land as may be necessary for the conservation of the
oil resources of the State.

(4) That the Commission has been authorized to lease and
convey such land as may be necessary for the conservation of the
oil resources of the State.

(5) That the Commission has been authorized to make and
execute such contracts as may be necessary for the conservation of the
oil resources of the State.

IT IS THE POLICY OF THE

That the Commission has been authorized to acquire and
hold such land as may be necessary for the conservation of the
oil resources of the State, and to lease and convey such land
as may be necessary for the conservation of the oil resources of
the State. The Commission has been authorized to make and execute
such contracts as may be necessary for the conservation of the
oil resources of the State.

That the Commission has been authorized to acquire and
hold such land as may be necessary for the conservation of the
oil resources of the State, and to lease and convey such land
as may be necessary for the conservation of the oil resources of
the State.

That the Commission has been authorized to acquire and
hold such land as may be necessary for the conservation of the
oil resources of the State, and to lease and convey such land
as may be necessary for the conservation of the oil resources of
the State.

That the Commission has been authorized to acquire and
hold such land as may be necessary for the conservation of the
oil resources of the State, and to lease and convey such land
as may be necessary for the conservation of the oil resources of
the State.

That the Commission has been authorized to acquire and
hold such land as may be necessary for the conservation of the
oil resources of the State, and to lease and convey such land
as may be necessary for the conservation of the oil resources of
the State.
