If well is directionally drilled, give subsurface locations and measured and true vertical depths for all markers and zones pertinent to this work.)

Reference your letter dated June 8, 1994, concerning this well. Please be advised that R & G Drilling Company has requested this well's meter run and meter be returned and placed back in service by El Paso Natural Gas Company. We anticipate this work to be completed by July 1, 1994. When this takes place, a compressor will be set and the well will be returned to a producing status.
