13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recomplete horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompletion in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

Amoco Production requests permission to submit well test data for the above mentioned well in the next two to three weeks. We anticipate production from this well after pumping off water and clean up. Well will be tested after clean up and test data will be filed at that time.

REVISED Completion with test data was submitted 11/13/2001. This sundry is sent per your request for correct API # on EC Tran 8863 11/12/01.

14. I hereby certify that the foregoing is true and correct.
