13. Describe Proposed or Completed Operation (clearly state all pertinent details, including estimated starting date of any proposed work and approximate duration thereof. If the proposal is to deepen directionally or recompleate horizontally, give subsurface locations and measured and true vertical depths of all pertinent markers and zones. Attach the Bond under which the work will be performed or provide the Bond No. on file with BLM/BIA. Required subsequent reports shall be filed within 30 days following completion of the involved operations. If the operation results in a multiple completion or recompleation in a new interval, a Form 3160-4 shall be filed once testing has been completed. Final Abandonment Notices shall be filed only after all requirements, including reclamation, have been completed, and the operator has determined that the site is ready for final inspection.)

On 6/28/2001 Amoco Production Company requested permission to recompleate from the Basin Dakota to the Wildcat Farmington Sand. Please cancel this request.

After review of data we request permission to run a Mechanical Integrity Test in order to hold for Farmington Sand recompleation next year.

14. I hereby certify that the foregoing is true and correct.
