Mr. Richard Stamets
New Mexico Oil Conservation Division
Post Office Box 2088
Santa Fe, New Mexico 87501

Dear Mr. Stamets:

This is a request for administrative approval for an unorthodox gas well location in the Blanco Mesa Verde Pool.

It is intended to locate the El Paso Natural Gas Company's San Juan 28-7 Unit #191E at 1010' from the North line and 320' from the East line of Section 33, T-28-N, R-7-W, Rio Arriba County, New Mexico.

Extremely rough terrain in the form of steep cliffs in the northeast corner of this section makes it impossible to build an orthodox gas well location.

El Paso Natural Gas Company is the offsetting operator of the surrounding area.

Plats showing the proposed well location and the terrain in Section 33, along with an ownership plat, are attached.

Sincerely yours,
