Re: Aztec Oil & Gas Company

Robinson #3 located in 15-28N-13

Please advise if we are correct in carrying subject filed showed the location from the SW well as located in unit letter "M". Part of the well reports show unit "P" which is probably an error?

Thanking You,

Al,

Manuel called about this well one day this week checking on the unit letter also. The first plat that the operator

later a corrected plat was filed showing the location SE. I am sending you a copy of the corrected plat.
