1. The first of these is the "Cuban Revolution" which began in 1953 and ended in 1959. It was a revolution against the dictatorship of Fulgencio Batista, who had been in power since 1934. The revolution was led by Fidel Castro and his brother, Raúl Castro, and it resulted in the establishment of a socialist government in Cuba.

1. The first step is to identify the problem or question that needs to be answered. This involves understanding the context and the specific requirements of the task.

1. The first of these is the fact that the Commission has not yet received any information from the Government of the United States regarding the results of its investigation into the activities of the American Friends Service Committee in China.
