1. Define the acreage dedicated to the subject well by a line or lines on a large map or plat.

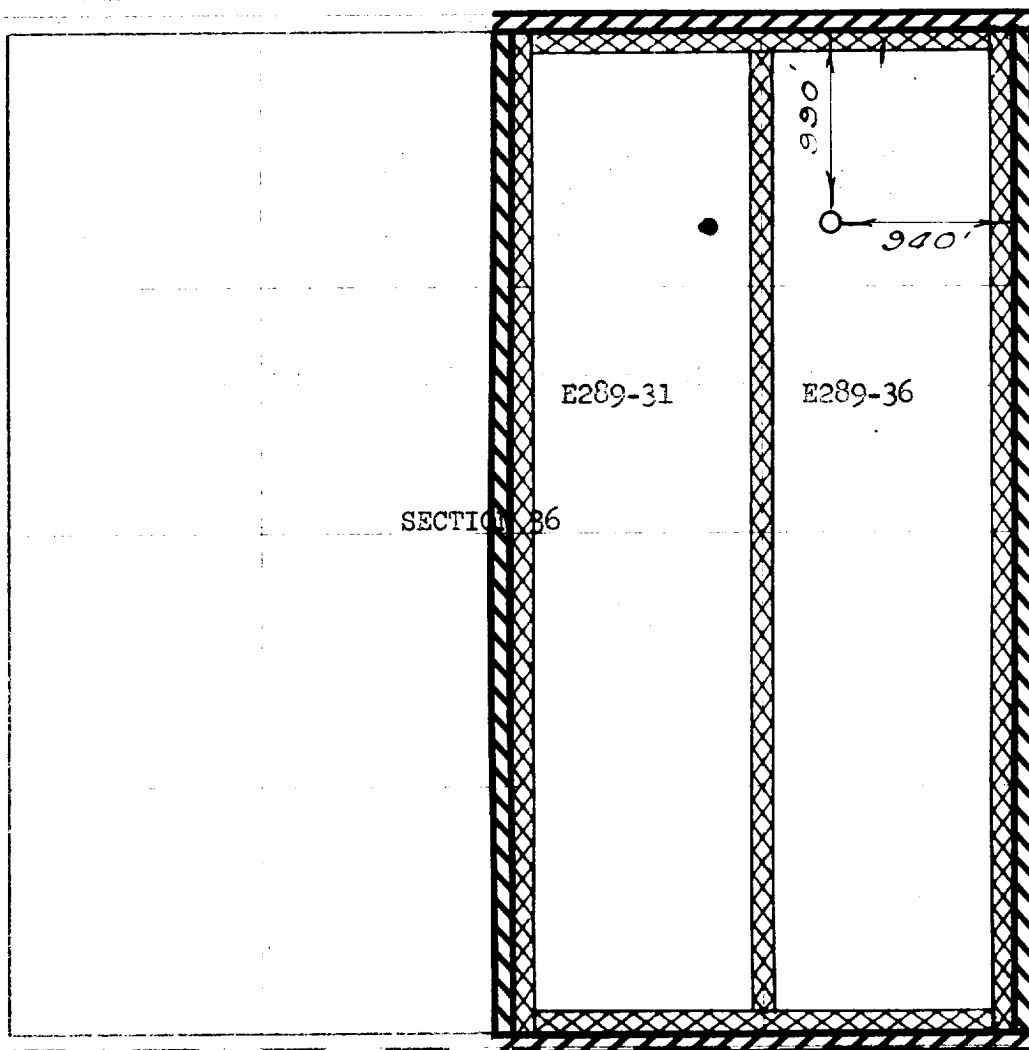

2. If more than one lease is dedicated to the well, outline and identify the same separately (interest and royalty).

3. If more than one lease of different ownership is dedicated to the well, have the interests outlined by communitization, unitization, or pooling.

X Yes ☐ No ☐ If "Yes" type of unitization **Unitization**

If answer is "no," list the owners and tract descriptions which have actually been pooled on this form if necessary.

No allowable will be assigned to the well until all interests have been consolidated by pooling, forced pooling, or otherwise for until a non-standard unit. The uniting such interests has been approved by the Commission.
