Dear Mr. Krupka:

The intended location for the above well is not in accordance with Rule 104 of the Rules and Regulations of the Oil Conservation division. Please refer to paragraph F of Rule 104 and file for administrative approval or examiner hearing to approve the location. Send two copies of the application to this office and two copies to the Santa Fe office.

Also, because of its distance from the established boundaries of the East Blanco Pictured Cliffs Pool, this well will be designated a Wildcat Pictured Cliffs well.

If you have any questions, please call this office.

Yours truly,

Frank T. Chavez
Deputy Inspector
