 Dear Ms. Cole:

The subject well listed above was completed in November of 1993 as a commingled Fruitland Coal and Pictured Cliffs well which first delivered 1-27-94. The NMOCD approved of the Basin Fruitland Coal and Gobernador Pictured Cliffs Pools to be commingle in this well by order DHC-937 dated 10-1-1993. By an over site no BLM approval was granted.

So by this letter we are approving of the subtraction method of allocation that was submitted in our copy of the DHC administration order received 10-5-9 for the commingling of the Fruitland Coal and Pictured Cliffs formations in the above mentioned well.

If you have any questions, please contact Joe Hewitt with this office at (505) 599-6365.

Sincerely,

Joe Hewitt, Geologist
Petroleum Management Team
