Dear Forrest:

The intention to Drill the subject well is approved subject to approval of the drilling tract.

This approval must be after Notice and Hearing.

If Pictured Cliffs production is anticipated for most or all of sections 6, 7, 18, 19, 30 and 31, it may be advisable to establish all drill tracts at one time.

If we can be of assistance please call.

Yours very truly,

A. R. Kendrick
