1979 Deliverability Test

Dear Jack:

Returned herewith is the 1979 deliverability test report for the subject well. Note that the shut-in period for the test is too short as per R-333-F-2. Please reschedule a shut-in pressure test for this well and use the new pressure to recalculate the test.

If you have any questions, please call this office.

Yours truly,

Frank T. Chavez
Deputy Inspector
